Wells Fargo HSA Transition to Optum Continues on Pace

Optum Bank®, Member FDIC, acquired the Wells Fargo HSA business earlier this summer. View our **online transition toolkit**, including FAQ. **Learn more** about this acquisition and Optum's unique products and services.

myuhc.com Member Website Provider Search Enhancements

Enhancements to the provider search results include cost-banding that offers additional geographic average cost information and a personalized health checklist for managing preventative activities.

Message from Brian Luehne, VP, Consultant Relations

UnitedHealthcare is committed to providing a superior health care experience to our current and future customers. We're pleased to share that myuhc.com® has added **new provider search enhancements** to improve the digital experience for members. Delivering the best possible user experience has also contributed to Optum's recent acquisition of the Wells Fargo HSA business. **Learn more** about this acquisition and how we are working to ensure a smooth transition. Wishing you and your families a happy and healthy summer!

Products, Programs and Resources

- **Injectable Chemotherapy Prior Authorization Program Results**
UnitedHealthcare's program results are now available from the first year after launching Injectable Outpatient Chemotherapy Prior Authorization in June 2015.
- **Medical Necessity Optional Add-on Programs for Jan. 1, 2017**
UnitedHealthcare implemented Medical Necessity across its legacy products for fully insured business and has encouraged self-funded (ASO) business to adopt the program as an additional approach for improving quality and cost outcomes.

UnitedHealthcare's 2016-2017 Flu Shot Campaign Launches Aug. 1
Members should review their benefit plan to determine coverage for flu immunizations. Preventive services, including immunizations, are provided under the standard, fully insured UnitedHealthcare Certificate of Coverage (COC).

■ **BriovaRx® Specialty Pharmacy Connects Patients with Hemophilia Treatment Centers for Clinical Support and Care Management**

Hemophilia can be a significant cost driver for employer health plans. Learn more about managing the cost of hemophilia, new developments and key strategies in hemophilia treatment by downloading the **Full Insight Report** and **Infographic**.
